Early Life and Education

Casey Story Gerald Meyers was born on January 1, 1931, in San Francisco, California. His father was a doctor, and his mother was a nurse. Meyers grew up in a wealthy family, and he attended private schools. He was a bright and curious child, and he loved to read and explore the outdoors.

Meyers attended Yale University, where he studied English literature. He graduated in 1953, and he then served two years in the U.S. Army. After his military service, Meyers returned to Yale, where he earned a master's degree in English literature.

Writing Career

Meyers began his writing career in the early 1960s. He wrote articles for magazines such as Sports Illustrated and Field & Stream. He also wrote several books about his adventures in the wilderness.

Meyers's writing was characterized by its vivid descriptions of nature and its passionate advocacy for the protection of the environment. He was a gifted storyteller, and his books and articles inspired many people to appreciate the beauty of the wilderness and to support efforts to protect it.

Conservation Advocacy

In addition to his writing career, Meyers was also a tireless advocate for the protection of the environment. He served on the board of directors of several conservation organizations, and he spoke out against the destruction of natural habitats.

Meyers was a strong believer in the importance of wilderness. He believed that wilderness was essential for the survival of both humans and wildlife. He worked to protect wilderness areas from development and logging.

Meyers was also a strong advocate for the protection of endangered species. He worked to ban the hunting of whales and other endangered animals.

Later Life and Death

Meyers continued to write and advocate for the protection of the environment until his death. He died on January 1, 2017, at the age of 86.

Meyers was a passionate and dedicated conservationist. He made a significant contribution to the protection of the environment, and his legacy will continue to inspire people for generations to come.

Casey Story Gerald Meyers was a remarkable man who lived a life of adventure and advocacy. He was a gifted writer, a tireless conservationist, and a true friend of the wilderness. His legacy will continue to inspire people for generations to come.
