

Falling Under Danielle Younge Ullman: A Book Review

Danielle Younge Ullman's *Falling Under* is a coming-of-age novel that follows the story of 17-year-old Arden. Arden is a loner, an outcast, who has always felt like she doesn't belong. She's always been drawn to the darkness, to the things that other people shy away from. When she meets Elias, a mysterious and enigmatic boy, she's immediately drawn to him. He's everything she's ever wanted: dangerous, exciting, and forbidden.

Arden and Elias' relationship is intense and passionate, but it's also destructive. Elias is a user, and he takes advantage of Arden's vulnerability. He knows that she's desperate for his love, and he uses that against her. Arden knows that she should stay away from Elias, but she can't help herself. She's drawn to him like a moth to a flame.
