This Old Boat is the definitive guide to maintaining, restoring, and troubleshooting your boat. With over 1,000 pages of expert advice and practical tips, this book covers everything from basic maintenance to advanced repairs. Whether you're a seasoned boater or just getting started, This Old Boat has everything you need to keep your boat in top condition.

What's New in the Second Edition?

The second edition of This Old Boat has been completely updated and revised to include the latest information on boat maintenance and repair. New chapters have been added on topics such as:

- Troubleshooting electrical problems
- Maintaining and repairing inboard and outboard engines
- Working with fiberglass and other composites
- Protecting your boat from the elements

The second edition also includes a new section on boat restoration. This section provides step-by-step instructions for everything from minor repairs to complete overhauls.

What Makes This Old Boat Different?

There are a lot of books about boat maintenance on the market. But This Old Boat is different. Here are just a few of the things that set it apart:

- **Over 1,000 pages of expert advice.** This Old Boat is the most comprehensive guide to boat maintenance available.
- **Written by a team of experts.** The authors of This Old Boat have decades of experience in boat maintenance and repair.
- **Practical tips and advice.** This Old Boat is full of practical tips and advice that you can use to keep your boat in top condition.
- **Hundreds of photos and illustrations.** This Old Boat is illustrated with hundreds of photos and illustrations that make it easy to follow the instructions.

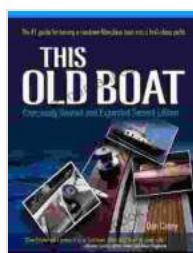

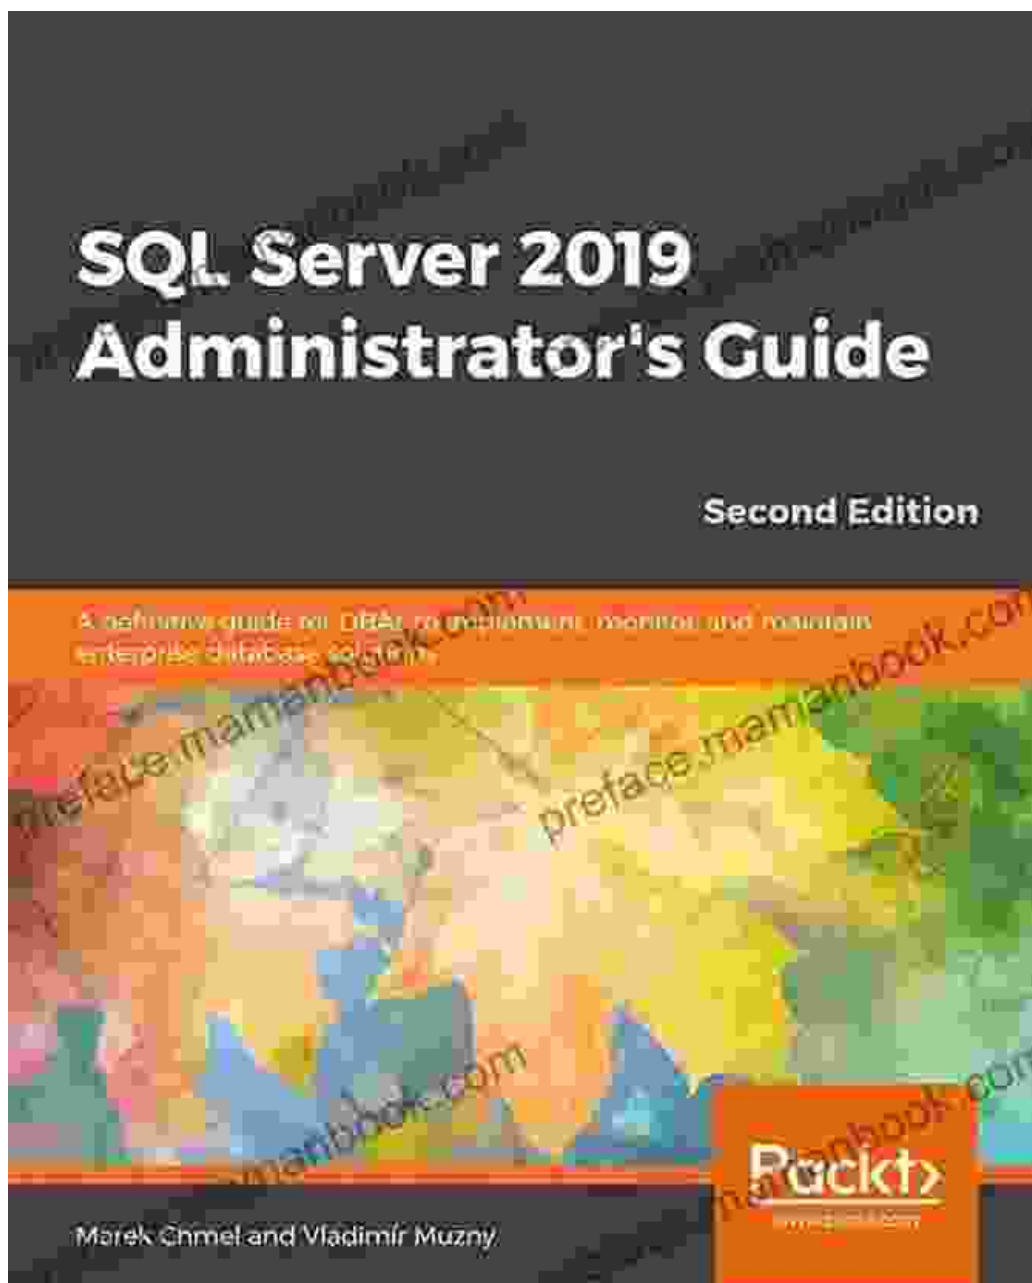

Who Should Read This Old Boat?

This Old Boat is a must-have for any boat owner. Whether you're a seasoned boater or just getting started, this book has everything you need to keep your boat in top condition.

If you're looking for a comprehensive, up-to-date guide to boat maintenance and repair, then This Old Boat is the book for you.
